

REMARKS

Claim 19 has been cancelled. Claim 21 was previously cancelled. No new matter has been added. Thus, claims 1-18 and 20 remain pending in the present application. Applicant would like to thank the Examiner for allowing claims 1-18 and 20.

Claim 19 stands rejected under 35 U.S.C. §103(a) as obvious over Mekenkamp et al. (U.S. Published App. No. 2006/0050052) in view of Chang (U.S. Published App. No. 2006/0050052). Claim 19 also stands rejected under 35 U.S.C. §103(a) as obvious over Wang (U.S. Patent 7,129,986) in view of Chang. Since claim 19 has been cancelled, Applicant respectfully requests the Examiner to withdraw these rejections.

CONCLUSION

In view of the foregoing amendments and remarks, it is respectfully submitted that all claims presently pending in the application are believed to be in condition for allowance. If the Examiner should have any questions concerning this communication or feels that an interview would be helpful, the Examiner is requested to contact the undersigned.

Respectfully Submitted,

Dated: May 3, 2010
